

Motor Fleet Proposal Form

Important Notes

Material Facts

Under the Insurance Act 2015, you have a responsibility to make fair representation of your risk to us. This means that you must:

- Disclose to us every material circumstance which you know or ought to know or, failing that, sufficient information to alert us that we need to make further enquiries; and
- Make such disclosure in a reasonably clear and accessible manner; and
- Ensure that, in such disclosure, any material representation as to a: (a) matter of fact is substantially correct; and (b) matter of expectation or belief is made in good faith

A circumstance of representation is material if it would influence a prudent insurer's judgement in determining whether to take the risk and, if so, on what terms. You must also make fair representation of the risk to us in connection with any variations e.g. changes you wish to make to policy throughout the policy period and at renewal.

If you fail to make a fair presentation of the risk then this could affect the extent of cover provided or could invalidate your policy. If you are in any doubt as to whether a circumstance is material then you should disclose it.

Statutory Note

The parties to this contract are free to choose the law applicable to this Insurance Contract. Unless specifically agreed to the contrary this Insurance shall be subject to English Law.

Motor Insurance Anti-Fraud and Theft Register

Insurers pass information to the Motor Insurance Anti Fraud and Theft Register, run by the Association of British Insurers (ABI). The aim is to help us check information provided and also to prevent fraudulent claims. When we deal with your request for insurance we may search this register. When you tell us about an incident, we will pass information relating to it to the register.

Motor Insurance Database

Your insurance cover details will be added to the Motor Insurance Database run by the Motor Insurers' Information Centre (MIIC). This has been set up to help identify uninsured drivers, and may be searched by the Police to help confirm who is insured to drive. If there is an accident, the Database may be used by insurers, MIIC and the Motor Insurers' Bureau to identify relevant policy information. You can ask us more information about this. You should show this notice to anyone insured to drive any vehicle covered under the policy. Direct Commercial Ltd. reserves the right to decline any proposal.
