MAKING THE INSURANCE WORK

Message to our driver

In the event of an accident please take the following action:

- Press the Emergency Panic Button on the camera
- If anybody is injured report to the police and call an ambulance
- Do not admit liability
- Exchange details (use the tear off section of this card)
- Obtain name and telephone numbers of drivers (see over)
- Call us immediately using the telephone number below
- Take pictures of the damage to both vehicles

Message to other party

If you believe that our driver was responsible for the accident please contact us immediately on the number shown below. We are their motor

insurers and, subject to liability, we can deal with any claims (including vehicle repair, temporary transport and injury) to ensure that you avoid any loss or inconvenience. Please ensure your insurer or anybody representing you is aware of this offer as it may affect any claim made on your behalf.
